Re: Online Access to Facility Documents

We are hereby requesting online access to our facility specific ESITECH, Inc. documentation. We are requesting that the following information be made available:

- 1) As-Built Shop Drawings & Submittals
- 2) Operations & Maintenance Manuals

We understand that the documents and access are provided as is and that we will hold ESITECH harmless for any breeches as a result of granting this access. It is the responsibility of the facility to request new login credentials if they believe their security has been compromised.

I certify that I am authorized to request this access:
